Lesson Plan
This lesson plan is designed to help you teach using a Common Craft video. Use the information below to introduce the video and then follow the video with discussion questions and other resources.

Disinformation

Explained by Common Craft

Disinformation is growing. By learning what it is, how to recognize it, and how to prevent it from spreading, we can stop disinformation from doing harm.

Learning Outcomes

- Define the term disinformation
- Describe an example of a disinformation campaign
- Explain strategies to avoid spreading disinformation

Discussion Questions

Q #1
How is disinformation similar to or different from propaganda? Explain.

Q #2
What strategies would you suggest for determining whether something is disinformation? Explain.

Q #3
What impact does disinformation have on society as a whole?

Knowledge Check Q&A

Q
What is disinformation?

A: It is false information that is published and shared with the goal to deceive people and cause them to support a person, issue, or organization they may not support otherwise.

Q
True or False? Disinformation is based on lies and manipulation of facts.

A: True
How might you avoid spreading disinformation?

A Use information from trusted sources and if the information seems misleading or provocative, research the writer and publisher and look for bias.
